

WILD KRATTS

MAKE-A-MATCH MEMORY

GAME RULES

OBJECT:

To be the player with the most points at the end of the game; players earn points by matching cards.

SET UP:

Mix all of the game cards together and place them face down in 4 rows of 13 cards.

PLAYING THE GAME:

The youngest player goes first. On each turn, a player flips over any two cards to look at the pictures on the bottom of the cards. If the two face-up cards match, that player keeps those cards and places them face up on the table next to him/her. When players make a match, they take another turn.

If the two cards do not match, that player flips both cards back over so they are face down. Players may not move the cards when they don't make a match; they must put the cards back in the same spots. Play then passes to the left.

THREE WAYS TO PLAY

1. Younger players can match the colors on the borders of the cards.

2. For an added challenge, players can match animals to animals and Creature Power Suits to Creature Power Suits.

3. More advanced players can match animals to Creature Power Suits.
