

For 2 players
Ages 6 to adult

TIC TAC TOE

Instructions

CONTENTS: Ten (10) playing pieces and (1) playing board.

OBJECT: To get three of your markers in a row – horizontally, vertically, or diagonally. The winner is the first one who accomplishes this. There is no winner when either player is unable to complete a single row.

TO PLAY: Each player receives one set of playing pieces. Whoever goes first, places one of his markers in any square. Players then alternate turns, placing one of their markers on any open square.
